Description

Come learn how to play the board game diplomacy. Take control of one of 7 of Europe's forces at the turn of the 20th century leading to World War I.

Form alliances with fellow players, negotiate and outwit one another. Choose to honor alliances or betray them.

Everything required to play will be provided. The game will go for a set amount of time, including a break for lunch. All players will receive a prize, with top players receiving additional prizes ranging from a tumbler to a copy of the game itself. Players should be committed to the full 6 hour time frame.
